About Us

Our company, Motomanic, is a leading manufacturer specialized in offering a diverse range of motor components, including Permanent Magnet Synchronous Motors, Electric Golf Carts, Motor Controllers, And Electric Bicycle Kits. By pledging to innovation and quality, we take advantage of state-of-the-art manufacturing techniques and leading-edge technology to create products with superior performance to respond to the changing demands within the electric vehicle market. We are proud of our good in-house production capabilities that ensure the delivery of reliable and efficient solutions for various applications, whether it is personal mobility or commercial use. In addition to our manufacturing excellence, we stand out with a focus on customer satisfaction through comprehensive support and service.

Our company, Motomanic, is one of the leading manufacturers of high-quality products, including Stub Axle, Battery Operated Platform Truck, Electrical Tools, BLDC Motor Controller, etc. We manufacture these products with a focus towards product leadership in the electric mobility sector by innovating its engineering with state-of-the-art manufacturing techniques for reliable and efficient products. Our working process, undertaken by a highly committed team of experts, assures that we do not just meet but exceed expectations and thus make us a name in the industry.

Key Facts

Nature of Business	Trader
Primary Competitive Advantages	electric vehicles,electric vehicle motors,permanent magnet dc motor,bldc motor controller,
No of Staff	12
Year of Establishment	2020
OEM Service Provided	No
ProductRange	electric vehicles,electric vehicle motors,permanent magnet dc motor,bldc motor controller,

Our Products

**62 Inch Differential Set
With 10kw PMSM Motor**

72v 8kw Pmsm Motor

**56 Inch Differential
Axle**

2000watts Bldc Motor

3Kw PMSM Motor

**2000watt PMSM Motor
Kit**

**48 Inch Differential
Axle**

**42 Inch Differential
With 3Kw PMSM Motor**

**52 Inch Differential
Axle With 10Kw PMSM**

**86 Inch Rear
Differential Axle**

**12kw Pmsm Motor And
Controller**

**5kw 72v Pmsm Motor
And Controller Set**

15kw Pmsm Motor

10kW 72V PMSM Motor

2kw Pmsm Motor

**36v 4kw Bldc Motor
Controller**
