

AC Generators, AC Motor, AC Torque Motor, Bench Grinder & Polisher, Blower, Brake Motor, Coolant Pump, DC Motor, Gear Motor, Mini Monoblock Pump, Motor, Permanent Magnetic DC Motor, Vibratory Motor, etc.

THREE PHASE AC MOTORS

PERMANENT ELECTRIC AC MOTOR

AC FLAME PROOF MOTORS

About Us

NBE Motors Pvt. Ltd. is more than three & a half decades old company engaged in the manufacturing of a wide spectrum of products, using the state-of-the-art technology and incorporating top-grade components. Our engineering expertise rests on developing a wide range of AC Motors like Electric AC motors, AC Flame Proof Motors, AC Generators, AC Torque Motors, which operate over a wide speed range, meanwhile keeping maximal torque per ampere and greater efficiency capabilities. AC Motors & DC Motors, designed by us, give exemplary performance as go through a series of test for the validation of quality characteristics.

Implementation of Total-Quality-Management-System in designing and engineering of product line including Water Treatment Plant, we benchmark the product quality in the industry. We are not only committed to on-time order fulfillment but also optimizing the product quality. We encourage the skill improvement and bolster employees' confidence for product development. Our customer satisfaction approach aims at offering business advantage to the clients. New Bharat's Quality Management system has achieved international recognition. In fact "Quality and service is part of New Bharat's planned strategy to serve customer better." Today every machine manufacturing industry like Plastic, Packaging, Textile, Pharmaceuticals, Chemicals, Ceramics, etc. is deriving superior benefits from New Bharat's superior end products.

New Bharat engineers Water Treatment Plant as well as manufactures AC & DC motors, textile application motors, coolant motors, special motors like vibratory motors, brake motors, cooling tower motors, torque motors, dual speed motors, geared motors, gear boxes, bench grinders, polishers, air blowers, regenerative blowers, PMDC motors, rotary gear pumps, triplex gear pumps, centrifugal pumps, chemical pumps, and non-standard motors which are offered in various standards and customized configurations. With a strong emphasis on heavy-duty industrial applications, NBE motors are ruggedly fit enough to be supply motive power under the most ambient conditions.

Key Facts

No of Staff	70
Year of Establishment	1981
No of Production Lines	1
OEM Service Provided	Yes
Memberships	EEPC INDIA, INDORE INFOLINE, GRAINEX,

Our Products

DC Motor

Ac Flame Proof Motors

Single Phase Ac Motors

Permanent Magnet Dc Motors

Permanent Magnet DC Motor

Electric Dc Motor

Ac Torque Motors

Magnet DC Motor

Electric AC Motor

Electric Motor

3 Phase AC Motor

AC Torque Motors

Vertical AC Motor

AC Brake Motors

DC Geared Motor

AC Electric Geared Motor
