About Us

M Ducts Fabrication Private Limited is among the leaders of HVAC companies, manufacturing superlative products such as L Shape AC Duct, Right Angle Ducts Box, Oval SS Ducts, Cable Tray, Duct Corner, and Duct Gasket. Being a manufacturer, supplier, and service provider, our company has ensured its reputation on the strength of excellence and innovative duct fabrication solutions. Our products are precision-engineered with a perfect fit and finish and robust construction that promises long-term reliability. We have significant offerings of duct solutions to the needs of several industries. We offer solutions that have made air distribution systems change in so many sectors - from commercial buildings to industrial facilities. We have kept our eye on innovative excellence and quality craftsmanship, with delivery that exceeds standards in the industry and the clients' expectations.

M Ducts Fabrication Private Limited, New Delhi, Delhi, India founded in 2019, has become a giant name in the HVAC. We manufacture L Shape AC Duct, Right Angal Ducts Box, Oval SS Ducts, Cable Tray, Duct Corner, and Duct Gasket. We boast of a team of professionals who bring to the customer superior quality ducting solutions that could cater to most industrial needs.

Our high-tech manufacturing facility uses cutting-edge technology and modern techniques to ensure that each product provides the ultimate quality. We ensure customer satisfaction through a series of services to clients, based on technical knowledge and excellence. The focus on sustainability and adherence to international standards makes us an HVAC industry leader. Our facility is large in area and equipped with leading-edge machinery and automated systems that enhance productivity but still maintain precision in quality. We have successfully completed hundreds of jobs across different industries, making us an excellent partnership opportunity for those in the HVAC industry.
