About Us

AquaTrident Pools and Spas Pvt. Ltd. was founded in India with a bold vision: every home should have a pool. As a leading manufacturer of composite fiberglass pools and spas, we deliver high-quality, customizable solutions designed for modern living. Our pools are built using composite fiberglass marine-grade materials, offering unmatched durability, elegance, and ease of maintenance. Each product is tailored to your preferences available in custom shapes, sizes, and colours to blend seamlessly with your surroundings, whether it's a backyard, rooftop, or indoor space.

AquaTrident Pools and Spas Pvt. Ltd., established in 2017 and headquartered in Bengaluru, Karnataka, has rapidly emerged as a trusted name in the Indian composite fiberglass swimming pool and spa industry. As a leading manufacturer and supplier, AquaTrident offers a diverse portfolio of premium products, including the AquaTrident Compact Pool, Hydrotherapy Pool, Jumbo Swimming Pool, and Pool Spa- each crafted to deliver luxury, performance, and reliability. Driven by a vision to make world-class pools accessible to every Indian home, AquaTrident combines international standards with homegrown innovation. Our mission is to redefine the swimming experience by creating products that are both functionally superior and aesthetically refined.
