About Us

Founded by Mr. Alim Fouzi, Fouzi & Associates has been making a sincere contribution to the interior and exterior architecture industry, ever since its foundation in 2005. We have catered to numerous clients since the year of our incorporation. We have served customers as a custom builder and service provider for various residential apartments, corporate towers, hotels, etc., by either reconstructing or decorating the place according to their needs. Owing to significant experience in the domain, we accurately understand the specifications provided by the clients. We are known as the most competent, reliable, and resourceful service company in our industry. The architectural services provided by us are extensively appreciated by our esteemed clients.

The demand for modern designs for buildings, parks, and apartments is rapidly increasing in India. From commercial buildings to residential buildings, attractive as well as sturdy designs are widely demanded. Therefore, we ensure to offer our services by keeping in mind in the latest trends and unique designs.
