About Us

To cater to the health related issues of people, Pinarc Life Sciences, was founded. Within a few years of our establishment, we have been named in the market as one of the leading manufacturers and suppliers of pharma products in India. Our range of products includes items like Natural Micronised Progesterone Sustained Release Tablets, Cefixime And Sulbactam Tablets, Fungal Diastase And Papain With Activated Charcoal Tablets, Amoxycillin And Potassium Clavulanate Tablets IP, Aceclofenac And Paracetamol Tablets, Levosalbutamol Sulphate Ambroxol Hydrochloride And Guaiphenesin Syrup, and more which are manufactured keeping in mind the set standards of quality. All these products are made following the ISO, WHO, and GMP guidelines. This ensures that their quality is up to par.

Our track record of satisfied customers and our loyal customer base are a testimony to our quality products. Moreover, we spent a lot of money on the research work. This enables us to develop technologically advanced and highly effective products.
