About Us

We, Shree Mukund Metal, are an MSME-certified company known for providing supreme quality products like Aluminum UBC Scrap, Recycling Aluminum Casting Scrap, Recyclable Stainless Steel Scrap, Industrial Stainless Steel Scrap, Mild Steel Scrap, Industrial Aluminium Cubes, etc. Owing to our ethical business policies and diligent workforce, today we are known in the market as one of the leading manufacturers, suppliers, traders, and wholesalers of such products. These products are known for their quality, robust construction, and durability. To manufacture these products we obtain the best quality raw materials from some of the most reliable vendors in the market. Our strong market presence has helped us do business with some very influential people in the industry, and that has helped us to reach a wider audience.

We not only provide our clients with good quality products but also adopt several customer retention practices which makes us people favorite. We understand that not everyone is comfortable with offline or online payment hence, we accept various modes of payment.
