## About Us

Surgical Wholesale Mart Private Limited is one of the most renowned companies in India which was established in 2022 under the guidance of its Jalandhar based parent company holding more than 60 years of experience in import, export and trading of medical equipment. The head office of our company is situated in New Delhi whereas the regional offices are located in Bihar and Punjab. Our products like Hospital Beds, Hospital ICU Equipment, Autoclave Pressure Cooker, Mobile OT Light, BPL Anesthesia Workstation, etc. are also supplied across the country through our distributors to government & private hospitals, nursing homes, medical colleges, etc.

The hospital equipment we are manufacturing are integrated with the latest technologies and tools which enhance their operational life, work efficiency and performance. Under the supervision of the medical experts, all our products are designed and developed with the aid of modern facilities. While developing the medical products, all the requirements of the medical fraternity keep in mind by our professionals. In the future, we would love to expand our business all over the world and become a globally recognized manufacturer and supplier.
