About Us

Leveraging our expertise in the design of various types of building construction materials, we, Zaid Trading Corporation, have emerged as a trusted manufacturer and supplier from Mumbai. We design and manufacture optimum quality Prefabricated Shed, Curve Corrugated Roofing Sheet, Double Skin Insulated Roofing System, Brown Aluminum Roofing Sheet, and Galvanized Iron Roofing Sheet. We have technical expertise in the design and production of these products that enables us to offer an impeccable range to our customers.

We deal in products that are used for the construction of various types of sheds, garden buildings, warehouses, cold storages, industrial roofs, household claddings, etc. As we are located in the financial capital of India, we are exposed to the latest technology and trends in the field, which ultimately helps us in keeping the highest standards in our products and services. Our company boasts of nearly three decades of industrial experience which empowers us to bring forth innovative products and offer unique solutions to customers. Our pricing policy is very competitive in the market.
