About Us

When it comes to buying safety products, which are expected to protect you from harms; customer prefer to deal with a reliable company. We, Amit Safety Enterprises, have established ourselves as a reliable company by regularly delivering high quality products, since our establishment in 1979. We are famous for our huge portfolio of safety products, which includes EM Ear Plugs, Medical First Aid Box, Cast Iron Y Type Strainer, Hillson Safety Shoes, Cast Iron Non Return Valve, and SS Disk Butterfly Valves. We also deal with Hand Held Metal Detector, Industrial Electronic Siren, Rubber Mat, RRL Pipe Hose, ABC Powder For Fire Extinguishers, Fire Bucket Lid, Fire Extinguisher Sign, Traffic Light Baton, and many other products.

We regularly conduct the survey of the market. We collect details of many safety products manufacturers and compare them to finalize our vendors. Each of our linked vendor is reputed for the supreme quality products, innovation, and fulfillment of commitments. We also provide solutions for refilling of fire extinguishers and and installation of fire extinguishers and alarms. As a service provider, we also have a huge customer base for our AMC contracts for fire hydrants. We are efficiently serving customers in the domain, under the sharp leadership of mentor, Mr. Ankit Shah. His excellent managerial and leadership skills, rich knowledge of the domain, and guidance to the team make us grow in the competition.
