About Us

Mr. Joginder Singh Oberoi founded the company A. D. Global Synergies Private Limited in 1997. Today, we are among well-known manufacturers and suppliers of products which include PVC Flooring, Flooring Plank, Artificial Grass, Roofing Shingles, etc. The company has a diversified and growing list of clients and the demand for products is growing at a rapid pace. Industry knowledge and a robust market reputation have been a hallmark of leaders and team members, which led to the success of the company. The company's robust infrastructure helps to befall urgent client demands. It has been organized into sections such as warehousing, R&D, quality testing, production, and administration, with adequate working groups.

Our partners are in Dubai (UAE), Zhejiang (China), Singapore, Dera Bassi, Punjab, and Raigad, Maharashtra. High-trained teams cater to its services so that the deadlines given to its clients are met. The selection process analyzes applicants' skills that are relevant for the respective positions. Continuous training sessions enable the employees to be abreast with the market developments. The members of this company are R&D personnel, quality controllers, production staff, and administrative members.
