## About Us

In the year 2009, we, S D International, emerged as a reliable Manufacturer and Exporter of Dyes, Solvent Dyes, Disperse Dyes, etc. We are also acknowledged as an entrusted Importer of Dyestuff and Chemicals. These are greatly demanded by customers all across India and overseas. We import products from many countries such as France and China, where our vendor associates are situated. Since the beginning of our journey, we have maintained high quality standards for which clients prefer us over other companies. Whether the products are manufactured by us or we have imported them, high quality is the factor which is common among them all.

We, S D International, are a Mumbai, Maharashtra (India) based firm that were established in 2009 (formerly Vardhman Industrial Corp., 1965-2009). It was founded by Mr. Jagdeep Mehta who has 30+ years experience in the industry. Our core motto is to fulfill all the varied requirements of chemicals, dyes and allied industries by performing continuous R&D and delivering eminent quality products to local as well as foreign markets. We have a team of diligent and skilled professionals who support us to provide optimal solutions for our valued patrons. We are actively engaged in offering Reactive Dyes, Fast Salt/Base, Naphtols, Vat Dyes, Disperse Dyes, Organic Pigments, Solvent Dyes, Chemical Auxiliaries, Acid Dyes, Food Dyes and Basic Dyes. The offered products find several applications in Leather, Paper, Ink, Rubber, Cosmetics, Textiles, Food, Plastic, Paint, Petroleum and many other such industries. Due to our vast domain knowledge, strong synergy of ideas & expertise, we are able to offer an extensive range of products under one roof. Further, we deliver our range to competitive markets of India, Africa, Middle East, Japan, Italy, Indonesia, USA, Pakistan, Brazil, Bangladesh, Turkey, China, etc. We are highly appreciated in the market due to the reliability, efficiency and quality of our products & services. We are always looking for new strategies to meet industry trends. Besides, we maintain a sustainable and ethical environment for our employees as well as customers. Accredited with ISO 9001:2015 and also affiliated to several government bodies, associations & concerns (CHEMEXCIL). Apart from this, we mainly focus on delivering unparalleled quality and maintaining a healthy competition.
