## About Us

G.G Corporation is an eminent manufacturer, supplier and trader of cleaning chemicals and products that are used in residential spaces, malls, hotels, offices and many other places. Our mission is to provide superior quality, eco-friendly and effective cleaning products to our clients, while encouraging and promoting sustainability. Founded in 2018, we have grown to become a trustworthy organization in the cleaning industry, with a wide range of products, including Acid Oil, AOS Chemical, Caustic Soda, Cleaning Hand Gloves, Dry Mop, Cleaning Brush, Cloth Duster, and many more. Our products are sold through major retailers, independent distributors and online platforms across the country. All of our products are made with high-quality, environmentally friendly ingredients that are safe to be used.

At our organization, we are committed to promoting sustainability in all aspects of our business. We use eco-friendly and biodegradable ingredients in our products, and our manufacturing processes are designed to minimize waste and reduce our carbon footprint. We also prioritize responsible sourcing of raw materials, and hence we are working with suppliers who share our commitment to ethical and sustainable practices. Our packaging is done using recycled materials, and we are continually exploring new ways to reduce our environmental impact.
