## About Us

Working in sync with latest technology as well as set industry standards, we, Jajoo Group's, have emerged as a reliable business entity in this competitive market. Established in 1982, we have been catering to the ever growing needs of our clients by offering wide range of Premixed Ramming Mass, Ferro Manganese, High Carbon Ferro Manganese, Ferro Alloys, Ferro Silicon, Ferro Chrome, Acidic Ramming Mass, Silica Ramming Mass, Casting Powder and more.

As a reputed manufacturer, exporter and supplier of these products, we never compromise on quality. In all our endeavors, we are well supported by our group company Jajoo Group of Industries. The Group Company is engaged in manufacturing and exporting of Ferro Alloys & Silica Ramming Mass. We have our own rich silica snow white quartz mines in Rajasthan and also possess state-of-the-art infrastructure for manufacturing. The Foundation stone of Jajoo Group was laid down by Mr. Sudhir Jajoo, Mr. Sunil Jajoo and Mr. Sushil Jajoo in the year 1985. The Group started working as manufacturer, supplier & exporter of Acidic & Silica Ramming Mass (Quartz Powder), Ferro Alloys which are being used in Steel Casting & Re Rolling Mills and Refractory Materials of several types.
