About Us

We, Balaji Hardware & Mill Stores have emerged as a leading manufacturer, supplier, trader, and wholesaler of an excellent range of products. The company came into existence in 2001 and is committed to meeting the bulk order of clients across India. Our company has gained a reputed position in the industry for offering BHMS Stainless Steel Roller Chain, Diamond Heavy Duty Mild Steel Roller Chains, Reduction Gear Box, Heavy Duty Chain, Duplex Sprocket, etc. at affordable prices. Having huge demand across different industries, these products are demanded for their perfection to be used in various applications. In order to maintain the consistent quality of our products, we conduct relevant quality control throughout the manufacturing stages.

We are grateful to have a highly motivated team of professionals who are highly skilled in their respective fields of expertise. Our team works around the schedule to ensure that bulk orders of our clients are completed on time and their queries are addressed in clear, honest and transparent way.
