About Us

Ever since our commencement in the year 1972, we, Kiran Udyog, have been manufacturing and supplying qualitative Fiberglass Sleeving, Fiberglass Hose, Coated Fiberglass Sleeving, Fiberglass Flat Hose, Polyester Tapes and more at equitable prices. Adhering strongly to our principles of quality and safety, we have been winning the hearts of our customers and other business partners including shareholders and investors. Therefore, it would not be wrong to say that for affordability, quality and quantity, allying with our company is one of the right choices to make. Customer-oriented approaches and state-of-the-art infrastructural facility has been enabling us to maintain our popularity not only in the Indian market but at International level too. By exporting 30% of our offerings in the markets of United States and ensuring timely product delivery, we have been sustaining the reputation of a reliable exporter.

With 29 years of experience in manufacturing, we, Kiran Udyog, have been bringing forth a qualitative line of Fiberglass Hose, Fiberglass Sleeving, Rubber Coated Sleeving, Polyester Flat Hose, etc., and established a strong foothold in the markets of India and United States. We have begun our business voyage from our headquarter set up in Bidar, Karnataka, India. The support of our employees and modern facility has been enabling us to continuously grow and reach the heights of success. Adhering to our core values of safety environment, integrity, and motivation and skill, we have also been winning the hearts of our customers and other business partners.
