About Us

Established in 2011, we at KIPC India Private Limited are a trustworthy trader and supplier of Fusion PPR Pipe, Fusion PPR End Cap, Kirloskar Screw Compressor, Zoloto Safety Valve, etc. Our trustworthy vendors use the most up-to-date machinery and well-tested components to produce these industrial products in accordance with the standards that have been set globally. The sturdy design, dependable operation, simple installation, low maintenance requirements, and extended service life of the offered goods are highly praised. To ensure complete client satisfaction, we also offer these industrial products in a variety of specifications. Additionally, we offer painting and coating services as well as repairs and maintenance for air compressors.

Under the direction of our Managing Director, Mr. Y.K. Singh, we are able to meet the various needs of our clients. We are based in Ghaziabad, Uttar Pradesh, India, and work with approved vendors to offer the highest quality industrial items in a range of requirements to our esteemed clients. Fortunately, the gratitude we are seeing from our customers is a result of the consistent assistance and fruitful efforts of our knowledgeable employees who are experts in this field. Additionally, our ethical company practices, fair prices, simple methods of payment, and transparent business dealings have helped us to establish a fantastic position in this industry.
