About Us

Since our inception in 2012, we have been developing a broad assortment of plastic cards used in various areas. Through our vast industry networking relationships, we, 4S Print Solution are able to provide our customers with the most appropriate printing solutions of different types of cards. With immense knowledge of market, we have set up a dominant position of a leading manufacturer of Magnetic Cards, Name Badges, Identity Cards, Membership Cards, etc. Putting together process expertise and knowledge, our consultants have helped us in improving performance and gain a competitive advantage in the market.

Our focus on ethical working practices, coupled with inventive recruitment and investment in our staff has culminated in strong business performance and market recognition. Equipped with ability to blend technology and innovation, our efficient team of employees have helped us in offering premium solutions. Also, our offered range is mostly used in majority of areas such as in schools, colleges, offices, hotels, as membership card or in banks as ATM or credit cards.
