About Us

Spectron Roto Plast started our company in the year 2022 with the intent to serve buyers in the best possible manner. In a short frame of time, we have attained glorious success as a supplier and trader of PP Spiral Storage Tank, Security Cabin, Insulated Milk Can, etc. Right from the procurement of products to their testing and delivery, we have specialized professionals who are able to accomplish tasks in the best possible manner. Before laying the foundation stone of our company, we have conducted in-depth market research and gathered all the resources that are necessary for smooth operations.

Spectron Roto Plast is specialized in meeting the needs of buyers associated with Break Tank, White Chemical Dosing Tank, Containment Pallet, Containment Pallet, etc. Our Ahmedabad, Gujarat, India based entity has tied a knot with reliable production partners who are quality-driven like us. We started our journey in the year 2022 and since then, there has been no looking back. All buyers have received value for money, and we feel happy to see them satisfied. We are thankful to our employees, vendors, and investors for their constant support that is helping us stand out in the market.
