About Us

Premco Fasteners India is a newly established firm engaged in offering an extensive range of Punch Washers, Pipe Clamps, Flang Bolts, Square Nuts, etc. We are considered among the reputed manufacturers, traders, and suppliers of the aforementioned products. Being in a respectable position comes with several responsibilities. Number one is to maintain the highest standards of quality across our products and services. Therefore, with the help of our team of adroit professionals, we excel in this area.

Secondly, and most importantly, is how we treat our customers. So to make sure that our customers are treated well at our organization and all their requirements are fulfilled on time and successfully, we work hard day in and day out. For us, our customers are our real growth drivers. It is only with their support that we can dare to imagine growing tremendously in the near future. Their support is our constant need.
