About Us

UPVC Khirki is an emerging fabricator, supplier and service provider specializing in a wide range of windows and doors. With our head office in Saharanpur, Uttar Pradesh, we have established ourselves as a trusted name in the domestic market segment dealing in products like Corner Window, Georgian Bar Window, Slider Fold Door, Casement Window, Slide Door, etc., and offering their professional Installation Service. Each of our products is meticulously designed to enhance the aesthetic appeal and functionality of residential and commercial spaces.

For our company, customer satisfaction is a key aspect that shapes our success in the market. With this understanding, we strive to bolster customer satisfaction by emphasizing two parameters- maintaining consistent quality and improving our response time. For ensuring uniform quality standards in our product range, we establish trustworthy business partnerships with only those vendors who are considered the best in the segment. Further, we eliminate the prospects of long waiting times for our customers by creating a quick response team, which is available 24x7. The team solves all the queries of customers in a proactive, polite and sincere manner, which helps us elevate their satisfaction level.
