About Us

We, Saral Houseware Private Limited, bring forth an extensive range of stainless steel products for healthy food storage. Established as a dependable manufacturer and supplier of a wide range of Stainless Steel Casseroles, Stainless Steel Round Lunch Boxes, Esteelo Jivo Stainless Steel Hot Pots, etc., we make sure to stay abreast of our competitors in terms of product quality. All the products are manufactured by our team of dexterous professionals using the best-grade stainless steel and other raw materials. Each product exhibits premium quality, which means they are safe to use, durable, light-weight, and do not rust. Furthermore, we design all the products while keeping in mind the specifications given by our customers. The products are modernly designed, possess catchy looks, and are spacious enough to carry different food items easily without them getting mixed up with each other.

Furthermore, owing to the cost-efficiency of our products, they are in high demand across the entire country and not just in our area of establishment. We believe in selling high-quality products at affordable prices.
