## About Us

Trinity Packaging Co has been amongst the leading names in the domain of Packaging Products since inception for over 7 years. Having acquired a renowned position of a manufacturer, importer, exporter, distributor and supplier in the domain, we present a wide range of Wing Type Pallets, Hardwood Crates, Pinewood Crates, Hardwood Boxes, Pinewood Boxes, etc. These are manufactured using quality wood sourced from noted vendors, and are designed to perfection in customized volumes and sizes. All our products are preferred across the markets and have become a prime select of numerous clients for their superior finish and durability. Our extended list of products comprising container lashing products, wooden pallets, plywood boxes, standard pallets with fumigation, stretch films and more. All these are customized as per the specifications raised by clients for designs, sizes and shapes.

Ours is a company that is unwaveringly committed to maintaining high quality standards. So, we rely upon our quality controlling system to assure the best-in-quality range of packaging products at very competitive prices, hence resulting in maximum client satisfaction. We have in-house quality department equipped with all required facilities, supervised by experienced industrial professionals so as to keep an eye over the entire manufacturing process. As a result we succeed in offering the products that stand high in quality and effective in price.

Being a client oriented company, we employ expert professionals who are well furnished and geared up to find ways to offer the unparalleled products which are synonymous with quality and cost effective. Since our inception, we have been committed to attain maximum client's satisfaction. In order to keep our pledge, we ensure value in our product line and offer effective services.
