About Us

Founded in 2003 as Rossari Labtech by industry veterans Mr. Edward Walter Menezes and Mr. Sunil Srinivasan Chari, the company transitioned to Rossari Biotech Limited in 2009. With a combined leadership experience exceeding 80 years, Rossari stands as a distinguished leader in the Indian specialty chemicals industry. The company is renowned for its commitment to innovation, eco-friendly product development, and operational excellence, making it a reliable partner for customized and cost-effective chemical solutions.

Rossari Biotech Limited has evolved into a pioneering force in India's specialty chemicals industry. With over 45 years of cumulative expertise, our founders laid the foundation for innovation, efficiency, and sustainability. In 2009, we transitioned into a company, marking a bold new chapter in our journey of excellence and growth.
