About Us

Preparing chocolates and other bakery goods the old-fashioned way can be a tedious job. In this modern world, where everyone is striving day and night to survive the competition, the conventional methods do not work, as they consume a lot of time. Taking this aspect into consideration, we, Shanghai Fude Machinery Manufacturing Co. Ltd. offer the best product line. As a Manufacturer and Exporter, we aim to bring the fresh ideas to the table that not only enhance the productivity of our esteemed clients, but is a sure way to bring smiles on the faces of end buyers.

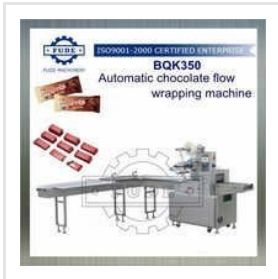

SHANGHAI FUDE MACHINERY MANUFACTURING CO., LTD. was earlier called SHANGHAI CHUNQI MACHINERY FACTORY. Our company is associated with the Bory Industrial Group and also situated in Fengxian District, Huqiao Town Industrial Park, Shanghai. The environment there is beautiful and transportation is convenient. Our company is branded as SINOFUDE in 1988. With two decades of development as a reputed pharmaceutical and food machinery brand, our company possesses three factories, having 30 acres and 200+ employees, each.

Over time, our company launched ISO9001 management system for the employees in 2004. Later, all the products were certified by UL, CE, and EU. Our product portfolio covers high-end production lines for bakery, confectionery, and chocolate manufacturing. Over 80% of the SHANGHAI FUDE MACHINERY MANUFACTURING CO., LTD.'s products are exported in 60+ countries, including Africa, Southeast Asia, Europe, Eastern Europe, America, etc.
