About Us

Aarna Systems and Wellness Pvt. Ltd. is an eminent manufacturer and importer of Central DEXA Bone Densitometer, Ultrasound Bone Densitometer, and Total Body DEXA Bone Densitometer. Our company is associated with Furuno Electric Co. Ltd., Japan, for Ultrasound Bone Densitometer as a manufacturing partner. We have been the No. 1 seller of Ultrasound Bone Densitometer in India for many years. We provide such products that are manufactured by the world's best manufacturer and have minimal or no maintenance. To get more details about us, we invite you to visit our website and YouTube channel.

Founded in 2009, Aarna Systems and Wellness Pvt. Ltd. is one of the most reputable companies involved in production and distribution of high-grade ultrasound bone densitometers in India. Our company is focused on providing innovative products that make us recognized as First CDSCO Approved Ultrasound Bone Densitometer in India. We provide ultrasound bone densitometers with cutting-edge technology that deliver highly accurate and comprehensive results. Our operations are led by the director, Mr. Deepak Kanthaliya, who is keen on providing innovative solutions for bone health assessment. His rich expertise, industry knowledge, and guidance have been crucial in helping us attain high success in the market. With his unwavering commitment to quality and strategic vision, we enjoy a prominent position in the healthcare industry.
