## About Us

Ami Polymer Pvt. Ltd. is established in the year 1996 by a small group of Management Graduates, Rubber Technologists and Chartered Accountants. Our firm is working as a leading Manufacturer, Exporter and Supplier of Silicone Tubes, Silicone Transparent Tube, Transparent Tubing, Silicone Sleeve, Silicone Gaskets, Silicone Tri Clover Gaskets, and many more. Apart from these products, we also manufacture Viton, EPDM, Neoprene, Nitrile, Hypalon, Silicone, SBR, Butyl and TPE.

One of our product Silicone Transparent Tubing are manufactured by using 100% pure silicon rubber with the help of semi-automatic machinery. The Silicon Transparent Tubes are temperature resistant from -80oC to 250oC, non reactive to body tissues and unaffected by the water solubles. These tubing's are also resistant against oxidation, ozone & radiation and do not support bacteria. Moreover, our complete assortment is extensively used in Food, Pharma, Medical and Heavy Engineering, Thermal Power Stations and PSU's.
