About Us

Today, the market for adventure sports has grown exponentially. It is said that growth is expected to increase by 15% in the next few years. Our company, Hovel International India, was founded to provide our clients with products that are required in these adventure sports activities. Our offered range includes items like Hot Air Balloon, Jumping Bad, Parasailing Parachute, Water Zorbing Ball, Individual Weapon Container, Tactical Belt, and more. As an ISO 9001:2018 certified company, we are the only parasail manufacturer in India. Made from the best quality raw materials, we provide our clients with exceptional quality products at market leading prices. This way, we have been able to create a notable position for ourselves in the market. With our years of experience and vast knowledge, we have been able to create a niche for ourselves in the market. Today, we are known in the market as one of the leading manufacturers and suppliers of the above mentioned products.

The top-notch quality of our offered products is our biggest strength. It is one of the biggest priorities of our company, besides customer satisfaction, and the latter can be easily achieved by providing our clients with quality-assured products. Our quality control department helps us ensure the quality of every product manufactured by us. This department consists of a team of experienced professionals with years of market experience and deep knowledge of the particular field. We make sure that the products manufactured by us comply with international standards of quality. After conducting research, we pass these products through a series of quality assurance tests to make sure that we supply our clients with the best.
