About Us

Established in the year 2012, we, Safety Zone have developed ourselves as the illustrious manufacturer, trader, supplier, wholesaler and distributor of a vast ambit of Disposable Products and Road Safety Products like as Road Safety Convex Mirror. Our comprehensive range consists of Gloves, Hand Gloves, Respiratory Mask, Fire Protection Equipments and Welding Accessories. All these products are fabricated using quality prone raw materials like polythene, non woven fabric, etc. which are procured from the market leading vendors. We are also backed with a state-of-art infrastructural setup that enables us to produce bulk consignments well within the clients' desired time.

Quality is the most affluent feature of our produce. We highly focus on producing supreme quality products which immensely satisfy the demands of our clients. Our company is backed by a team of professional experts who are dedicated towards providing unending efforts into our production process for timely achievement of desired goals. Our team of quality analysts stringently procure the initials and monitor every stage of production for manufacturing quality confirmed produce. We are also amongst the proud owner of ISO 9001:2008 Certification which enables our clients to maintain their trust with our products.

Our company has always managed to achieve appreciations from our large client base inclusive of Nestle India Ltd., Ranbaxy, Indian Railways and many more. Having adjoined most of the renowned names with our firm is the result of never ending efforts of supervision and guidance provided to our team of professionals by our mentor, Mr. Alam Khan. His domain knowledge and experience has helped us earn a big status in the market which we strive to retain in the long run.
