About Us

Iraj Food And Beverages Pvt. Ltd., is one of the budding manufacturers and suppliers in the industry, catering to the demands for Ginger Tea Premixes, Pure Arjun Tea Premixes, Coffee Premixes, Elaichi Tea Premixes, and other products. Committed to quality, we are creating benchmarks in the industry by offering our customers a world-class product range. All our products are hygienically manufactured at our ultramodern manufacturing unit. The facility is equipped with technologically advanced machines and equipment. A team of experienced professionals supervises the production process and ensures a systematic pull-off. The products we deliver with the help of our competent professionals are aromatic and flavorful and have long shelf lives.

Set up in Bilaspur (Chhattisgarh, India), we, Iraj Food And Beverages Pvt. Ltd., are recognized as one of the fastest-growing manufacturing companies in the market. We are a 2023 establishment working hard day and night to cater to the needs of customers for premium-grade Elaichi Tea Premixes, Coffee Premixes, Pure Arjun Tea Premixes, Ginger Tea Premixes, and other products. Our strength lies in our team of proficient professionals who are highly intelligent and skilled. Our team thoroughly supports us in systematically pulling off all our business operations. As a result, we deliver our customers a product range that is totally worth the money spent on it and an experience like never before. All the requirements of our customers are prioritized and met ahead of the scheduled time frame. No wonder we are the most ideal choice for our customers! Our hard work to attain customer satisfaction knows no bounds, and thus, we are thriving as a reliable name in the market.
