About Us

We, Timus Tooling System Private Limited are leading importer and supplier of all types of cutting tools and machinery used in wood working, tube mills, tubes & tubular components, uPVC and automotive component industries. We took our first step in this industry as a proprietorship firm with the name Timus Tooling System Private Limited in the year 2013 under the guidance of our Managing Director, Mr. Summit Kumar. Since then our growth has been phenomenal and we have never looked back, all credits to our outstanding team of professionals who work with full dedication to provide prompt service and support to our customer.

For us customer satisfaction is the highest priority so we never compromise with the quality of the products. Our aim is to provide best quality product at best price in the market.
