

**Nitrogen gas plant & Refrigerated Air Dryer**  
Perfection is well-represented in the quality of our products

Activated Carbon Filter, Air Compressor Spares, Chips Conveying System, Compressed Air Dryer, Control Valves, Customization Of Motors, Erection And Installation Service, Gear Motor, Heat Exchanger, Heatless Desiccant Air Dryer, High Pressure Air Dryer, Industrial EOT Crane, Industrial Nitrogen Plant, Industrial Products Sourcing Service, Industrial Valves, etc.

**ACTIVATED CARBON FILTER**

**INDUSTRIAL NITROGEN PLANT**

**NITROGEN PLANT**

## About Us

Building on our decade long history of producing innovative products, we, Morish India Exim Pvt. Ltd., are presenting a line of Nitrogen Plant and Air Dryers to customers. Fabricated with a strict focus on product efficiency, reliability, and safety, our products act as effective answers to many of your application needs. We not only design a highly reliable product range that generates huge savings by being high in performance and low in cost, but also back all products with quality post sales service. We export trusted quality electronic, mechanical, and electrical items for industries, and also custom design motors and gear boxes in a plethora of specifications and sizes. In addition to product quality excellence, we also have competency in delivering Technical Solution and Consultancy Services in the field of Nylon, Polymer, and even PP related Process Industries.

Our flexible work approach is quite commendable and we always work in unison with our valued customers to develop a broad spectrum of tailor-made systems like Nitrogen Plant to suit specific application. Today, we are counted among leading exporters and manufacturers of Industrial Refrigerator Air Dryer, POY Plant, Pressure Gauge, etc., a competitively priced products range offered as per promised time and within client's allocated budget.

We, Morish India Exim PVT. Ltd., also have the capability to undertake jobs related to erection, installation, commissioning of Nitrogen Plant, and related equipment and machinery.

## Key Facts

<b>No of Staff</b>	40
<b>Year of Establishment</b>	2007
<b>No of Production Lines</b>	1
<b>OEM Service Provided</b>	No

## Our Products

**Air Compressor Spares**

**Process Filter**

**Industrial Valves**

**Oil Filter Regulator  
Lubricator**

**Sensors And  
Controllers**

**High Pressure Air Dryer**

**Refrigerated Air Dryer**

**Low Pressure Air Dryer**

**Pressure &  
Temperature Sensor**

**Heat Exchanger**

**Chips Conveying  
System**

**Control Valves**

**Process Control  
Instrument**

**Pressure Gauge**

**POY Industry Spares**

**Industrial EOT Crane**
