## About Us

We, Ztek Control Systems Private Limited, are a 2011 established business concern, renowned for our exceptional talent & vast knowledge of the business segment. Our company specializes in presenting one of the most reliable, durable, and robust selections of Electromagnetic Flow Meters, Digital Flow Batch Totalizers, Rh Temperature Time Date Displays, Hydrostatic Level Transmitters, etc. This assortment is carefully quality tested before it is dispatched from our facility. Making no errors during the testing process, we ensure the perfect compliance of our range with the set standards of the domains. We import electric component, and finish goods that are qualitative in nature.

As a responsible manufacturer and exporter, we conduct thorough research before initiating the manufacturing process. This helps us in designing and developing perfect products for our globally spread clientele. Keeping the satisfaction of our clients in mind, we also render premium-class installation services. Providing such well-rounded support to clients, we have become the leading choice in Asia & Africa. Under the leadership of Mr. Manish Chauhan & Mr. Mayur, we are hoping to expand our reach further. We plan to become the top name in every corner of the globe.

## Our Products

**RTD Sensor**

**Signal Isolator**

**Dual Channel Process Indicator**

**Turbine Flow Meters**

**Rh Temperature LED Display**

**Pressure Transducer**

**Single Channel Indicator**

**Accelerometer Sensor**

**Magnetic Reed Switch Level Transmitter**

**Ultrasonic Liquid Level Sensor**

**Infrared Temperature Sensor**

**Vortex Meter**

**RH Transmitter**

**Hydrostatic Level Transmitter**

**PT 100 Temperature Sensor**

**Digital Flow Batch Totalizer**
