About Us

Packaging has become the most important aspect of every company. You may produce a phenomenal product, but it would be of no use if it reaches the customers in a damaged state. We, at Mahendra Sales Corporation are delighted to offer you a first-class array of packaging machinery. From food industries and construction companies to healthcare units and machinery departments, our products find their use in numerous areas.

Established in the year 1976 as a Wholesaler/Distributor, Retailer, Trader and Importer, we have earned a highly respectable name for ourselves in the market. The numerous items offered by us include-Continuous Sealing Machines In Horizontal And Vertical Models, Taping Machines, Bag Closing Machine, Gumming Machines, Mini Batch No. Printing Machines among various others. Equipped with a user-friendly interface, one can use such goods with sheer ease and in a hassle-free manner. Procuring such machinery from government-certified manufacturers, we conduct vigorous checks so as to make sure that there are no compromises made when it comes to quality.
