About Us

After the independence of India, thousands of individuals started their new journey by indulging into different kinds of businesses. The heritage that Bubber Handicraft House holds today is the legacy of Late Shree Amolak Raj Bubber who started his journey with just 100 rupees with the goal of making something big out of it. Established in the year 1988, today, Bubber Handicraft House has become a synonym of quality, reliability and excellence. Located in the heart of Jaipur, our multicultural store has a huge variety of handicraft items to offer such as Wooden Furniture, Bar Furniture, Silver Capsule Tray, Wedding Bajot Chawki, Indoor Planter, Modern Mirror, etc. The entire range is exported all over the world due to their intricate designs, superb finishing and durability. Under the leadership of Mr. Mahesh Bubber and his son, Mr. Priyansh Bubber; the rich legacy of Bubber Handicrafts continues till date. By following their directions, we have achieved a leading position of manufacturer, exporter and supplier.

Bubber Handicraft House, as the name depicts, is engaged in manufacturing decorative products which beautify homes, offices, hotels, restaurants and various other places. It has been almost 35 years that we have been making exclusive Akhand Jyot Diya, Decorative Fountain, Wooden Clock, Marble Ganesh, Wedding Dry Fruit Box, God Idols, Vintage Furniture, etc. which are beautiful in designs, easy to maintain and have aesthetic artwork. In our Jaipur, Rajasthan (India) based operational unit, the whole range is designed and developed by our team of skilled artisans. For producing high quality decorative products, we make use of premium raw materials and modern techniques. In multiple designs, colors and sizes, we are manufacturing the decorative items considering the diverse requirements of the buyers.
