About Us

We at Terrapreta Agroveta are bringing innovative products to improve and transform conventional agricultural practices. Additionally, we are creating success stories for horticulture and agriculture. Our mission is to provide assistance to farmers who are struggling with crop loss, temperature changes, drought, resilient insects, and diseases. In order to do this, we are developing effective and affordable agri-biological products that make use of eco-friendly components, chemistry that is nice to living things, and tried-and-true biomolecules. We offer a variety of goods using our novel biologicals, including plant growth promoters, biostimulants, biopesticides, biofungicides, and other veterinary products. Our offered range includes items like TERRA METZ Bio Pesticides, TERRA TRICHO Bio Pesticides, MRIDVA Flowering Stimulants, MRIDVA-L Flowering Stimulants, SOIL PRO Flowering Stimulants, and more. Due to our hard work, dedication, and perseverance, we have made a name for ourselves in the industry as a leading manufacturer, supplier, trader, and wholesaler of the above-mentioned items.

Our company, Terrapreta Agroveta, was founded in 2014 in Ahmedabad, Gujarat, India. We are known to manufacture, supply, trade, and wholesale quality products including TERRA-BOR Flowering Stimulants, TERRA-FLOWER Flowering Stimulants, TERRA-SUPERCAL Flowering Stimulants, TERRA PF Bio Pesticides, TERRA TRICHO Bio Pesticides, and more. In the coming year, we are going to complete a decade in this industry. Over the years, seeing the requirements of our clients and the changing trends in the market, we have come up with a range of high-quality and technically advanced products. These have the capability of catering to all the requirements of our clients and solving the modern problems of our farmers. To cater to the needs of a larger audience and reach every nook and cranny of the country, we supply these products to them at competitive market prices.
