About Us

Bioxent Health and Nutrition Pvt. Ltd. is a manufacturer, supplier, and exporter of high-quality nutraceutical products ranging from black garlic capsules to arjuna capsules, quercetin capsules, magnesium citrate capsules, beta carotene capsules, vita vision capsules, L-threonine capsules, liver and kidney detox capsules, hyaluronic acid capsules, and so on. We provide scientifically validated supplements with ethically sourced, natural ingredients with our commitment to innovation and quality.

Our GMP-certified manufacturing processes and advanced bioavailability formulations ensure superior performance and safety. We are committed to sustainability: our packaging is environmentally conscious, and our capsules are vegetarian/vegan-friendly with no artificial preservatives or additives. Nutritional health and wellness are supported with fast worldwide shipping, competitive prices, and a money-back satisfaction guarantee. The best in health and nutrition are yours here.
