About Us

We, Giriraj Agro & Natural Honey Products, are a long-established company from Vrindavan, Uttar Pradesh, that has continued with its practices of producing the best available Natural Honey, Flavoured Honey, Honey Beeswax, Bee Pollen and Bee Honeycomb since 2012. Empowered by the support of our trained beekeepers, we work to provide unbeatable quality honey, from hive to home in its purest form. Our customers love the authentic taste of our products, which are superior in quality than those offered by supermarket food stores and even farmers market. This is because we take great care to keep all the protective compounds intact in our range of honey and other products. Our environmentally responsible business also takes welfare of beekeepers into account because we know that it is their craft that keeps our business thriving. As a manufacturer, we wish to continue with this tradition of working as one big family of honey lovers that always brings forth the best of taste and purity on its range

Come to Giriraj Agro & Natural Honey Products and do not go elsewhere if looking for Flavoured Honey like Pure Coriander Honey, Multi Flora Honey, Pure Eucalyptus Honey, etc., or other products like Bee Pollen and Honey Beeswax. We are an MSME certified firm and undeniably one of the best sellers of these products, operating an ethical manufacturing business from Vrindavan, Uttar Pradesh, India. We have a great team to take of every small and big details of customers. We also have trained and competent customer services representatives for any kind of guidance and assistance. We assure that all our honey products are certified, pure, hypoallergenic and safe for consumption.
