About Us

With a decade of industry experience, we, Malay Enterprise, are setting benchmarks in the industry. We are widely known as reliable traders, suppliers, and wholesalers in the market, dealing in an extensive range of top-quality Neotame Artificial Sweetener Powders, Gelatin Powders, ICUC Cocoa Butter Lip Balms, Herbal Soaps, and other products. Committed to quality and integrity, we make sure to bring forth a world-class range of products while maintaining the highest standards of fairness and transparency in all our business operations. We work with full sincerity and promise our customers a rewarding journey at our organization. The trust and confidence our customers show in us are of the utmost importance, acting as our growth driving force.

To date, we have a positive track record of offering 100% customer satisfaction. Other than this, we are also recognized for maintaining cleaner, healthier, and greener surroundings around us. We have installed a systematic waste management model to avoid disposing of factory debris into rivers. Moreover, regular checks on the daily consumption of water and power help us contribute to their conservation. In addition to customer satisfaction, we are also focused on promoting sustainable business practices to keep up with the well-being of all individuals.
