About Us

Prism Test and Measure Private Limited ever since its start has been a giant manufacturer and trader of high class testing and measuring instruments. We specialized in offering an extensive array of products which includes Analytical Balances, Coating Thickness Gauges, Alcohol Detectors, Safety Helmets, Access Control Systems, Maxima Water Flow Meters, Data Display Boards, Maxima Indian Desiccators, Three Phase KWH Meters, Centrifugal Pumps, Dimension Instruments, and much more. Our wide variety ensures that, in various industries, our clients have the right kinds of tools to do accurately their jobs.

Our company is also competent enough to render different services, including ISO Certification Services, Testing Services, Electrical Instrument Calibration Services, and AHU Validation Services, to ensure holistic support to customers.

Key Facts

Nature of Business	Service Provider
Primary Competitive Advantages	Digital Depth Vernier Caliper,Micrometer Calibration,Outside Micrometer Calibration,Surface Roughness Tester Calibration,TDS Meter Calibration,Vibration Meter Caliibration,Slip Gauge Calibration,Infrared Thermometer Calibration,infrared Gun Calibration,Height Calibration
No of Staff	122
Year of Establishment	2004
OEM Service Provided	No
ProductRange	Digital Depth Vernier Caliper,Micrometer Calibration,Outside Micrometer Calibration,Surface Roughness Tester Calibration,TDS Meter Calibration,Vibration Meter Caliibration,Slip Gauge Calibration,Infrared Thermometer Calibration,infrared Gun Calibration,Height Calibration

PRISM TEST AND MEASURE PRIVATE LIMITED

Nabl Accrediated Calibration And Environment Testing Lab

+9198245264

Our Products

DT-830D Digital Multimeter

300kg Platform Scale

DFT-222 Coating Thickness Gauge

DTM-902 Waterproof Digital Thermometer

Table Top Weighing Scale

Analytical Balance

Radwag Microbalance

UTM-9 Ultrasonic Thickness Gauge

VM8200 Digital Vibration Meter

F2 Class Weight Box

M266 Digital Clamp Meter

Battery Operated Analogue Insulation

PSLI-772 AGS Series Moisture Balance

CG602 Compact Precision Balance

E1 Class OIML Standard Weight Balance

MT-4 Infrared Thermometer

We Care For Your Time & Quality
