About Us

We, Dolls Exports Private Limited have received much praise for being a well-known agricultural product brand, including Argo Chemicals, sprayers, and bio-fertilizer. We provide various biofertilizers, including granulated fertilizer, humic acid, potassium humate, fulvic acid, and amino acids. We also provide agriculture sprayers, including Tractor Sprayers, Tractor mounted Sprayer, Boom Sprayers, Turbo Atomizer Sprayer, AirMist Sprayer, Airblast Sprayer, and more. Our brands, DOLLS and DOLLS AGROSE, have become the top option for domestic and foreign customers.

Based on our qualitative approach and customer centric attitude, we have also earned a government recognition for our range and overall business operations. This accreditation of being a government recognized entity has further enabled our company to flourish and increase our worldwide network with various prospective customer base from all across the globe.
