About Us

Founded in 2007, Kauzer Technologies & Systems Pvt Ltd has grown to become a trusted trader and supplier of advanced industrial automation solutions. Based in New Delhi, Delhi, we specialize in providing top-tier products for industries across India. Our commitment to excellence and innovation has made us a preferred choice for businesses looking for high-quality automation equipment. We partner with leading global manufacturers, particularly Fuji Electric, to deliver industry-leading products and technologies.

We offer a wide range of advanced products that help businesses achieve greater automation and efficiency. Our product portfolio includes Fuji Frenic Lift Ac Drive, Fuji Hmi, Fuji Ac Drives, Panel Mount Fuji SPF PLC and Fuji SPF PLC. Our products are sourced directly from Fuji Electric, a global leader in automation, ensuring that our clients get access to cutting-edge technology and unmatched reliability. We understand that every business has unique automation needs. Our dedicated team of experts works closely with clients to assess their requirements and recommend the most efficient and cost-effective solutions. By aligning ourselves with top brands like Fuji Electric, we are able to offer world-class products that deliver optimal performance and cater to the specific needs of various industries, including manufacturing, logistics, and more.
