## About Us

In markets across the world, there is high demand for fresh and healthy food products. Our founder, Mr. Muralidhar Kongovi analyzed such demands of the global market and have recently started Kongenix in 2023. We are dedicated to meeting the market demands for fresh food products, including Fresh G4 Green Chilli, Fresh Ginger, Fresh Onion, Fresh Pomegranate, Fresh Green G9 Banana, Dry Turmeric Finger, Semi Husked Coconut, Virgin Coconut Oil, and many other products. We source the products direct from the farms to procure vegetables, fruits, spices, coconut, and many other edible items in a bulk quantity and supply them to customers as per the requirements. The procurement is made easy and smooth with the support of our reliable procuring agents who find reliable vendors and share amicable relationships with them.

In order to establish our strong reputation in global markets, we pay attention on maintaining the quality standards in our offerings. We also follow high standards for packaging so as to safely deliver all the offered food products to customers.
