About Us

M/s Kusum Plastics was formed in 2012 after deep analysis of plastic disposable products market. Our founder started operations after finding high market demands, unsatisfied customers and plethora of business opportunities in this industry. It has been a decade to our foundation and we have established ourselves among the top companies of the market. As a manufacturer, we believe that we are next to none when it comes to offering high quality disposable items for use in parties, get together, and food packing work in restaurants & hotels.

We provide a wide range of Plastic Disposable Products like 2 Compartment Plastic Meal Tray, Milky White Plastic Cup, Plastic Sweet Box, Plastic Chowmein Tray, Natural Plastic Cup, and many other. With our wide variety, we stand as a largest b2b manufacturer that fulfills the requirements of numerous companies, retailers, and business agents.
