About Us

Aarka Industry is a well-known manufacturer and supplier of wall putty, catering to nationwide markets with quality solutions. Set up with an objective to enhance the aesthetics as well as the durability of the walls, our company has made a respectable niche for itself as the trusted name in the construction materials industry. The main thing at the center of everything we do is our customer. We are always on the lookout for feedback and liaise with our clients in a bid to gain greater insight into their needs. This customer-centric approach enables us to improve our offerings and deliver outstanding service. Quality assurance, innovation, sustainability, and customer satisfaction are some of the principles we are committed to. Further, our approach to work is flavored with perfection. That is how reputation is built, which is excellent and resonates with our clients.

Aarka Industry is a Rajkot, Gujarat, India based company that produce wall putty. Here we provide high-quality solutions that enhanced the aesthetic appeal and durability of walls for residential as well as commercial spaces. We focus very much on sustainability by minimizing our ecological footprint through green practices and materials used. As we continue to grow, we remains steadfast in our mission to set new benchmarks in quality and service within the respective market, making us a trusted partner for builders, contractors, and homeowners alike.
